L'Innocence, the most popular of all, easy forcer, pure white.

YELLOW and VIOLET SORTS

are 25% higher.

Queen of the Whites, a perfect late forcer, pure white

RED and ROSE

Garibaldi, brilliant red, one of the earliest.

Gertrude, rosy pink, large compact truss.

Jan Bos, the finest deep red hyacinth, and an excellent forcing-variety too.

Lady Derby, light rose, good forcer.

La Victoire, beautiful cherry-red, a late forcer.

Queen of the Pinks, bright cerise pink, compact truss, late forcer.

LIGHT and DARK BLUE

Bismarck, porcelain blue, broad large truss, popular forcing variety.

Dr. Lieber, distinct bright blue, long compact truss, good forcer.

Duchess of Westminster, dark velvet purplish-blue, with a white centre, very striking.

Grand Maitre, deep porcelain blue, extra large.

King of the Blues, rich indigo-blue, late forcer.

Hyacinths

(CONTINUED)

Myosotis, light blue, very large flowers.

Perle Brillante, fine lavender blue, dense spike.
good form.

Queen of the Blues, light blue, large compact
truss, late forcer.

YELLOW

City of Haarlem, deepest of the yellows, dense
spike, good form.

Prince Henry, pale primrose yellow, fine dense
spike.

VIOLET and PURPLE

Lord Balfour, light purple, tinted lavender-
pink, very early.

Sir William Mansfield, purplish violet.

Cottage Tulips

(MAY-FLOWERING or SINGLE LATE TULIPS)

These excellent garden tulips are noted for their elegant shapes and rich outstanding coloring dominating in yellow and orange shades. Highly recommended for making fine and elegant groups and unrivalled for cutflowers.

Extra Topsize Bulbs, 100 — \$11.00

Advance, the most beautiful, the most outstanding and imposing of all late tulips: Indeed, this tulip is of extra size and beauty of a fiery salmon-red with bluish reflection, carried on a strong and long stem, higher than any other tulip.

Albino, very fine pure white variety, strong and showy flower. Can be forced from January 15th.

Arethusa, beautifully shaped flowers on strong stems in a delicate canary or yellow.

Argo, unique color, golden yellow, with red and orange spots, very nice and striking.

Cottage Tulips

(CONTINUED)

- Belle Jaune**, a wonderful fine shaped garden tulip of a dark yellow color.
- Carrara**, very large, egg-shaped pure white flowers on strong stems. Can be forced after January 10th.
- Dido**, cherry-red, edged salmony orange. One of the finest tulips in existence.
- G. W. Leak**, an attractive new tulip of a deep geranium-red color. Nicely shaped pointed petals. A real Beauty!
- Golden Harvest**, one of the best tulips for garden and forcing. Can be forced from January 10th.
- Marshal Haig**, a very fine brilliant scarlet tulip of high merits 13.00
- Mongolia**, this gigantic Cottage tulip has egg-shaped flowers of a soft yellow color. As far as we know. together with the famous Mrs. John Scheepers, the largest tulip in existence.
- Mothersday**, very fine sulphur yellow flowers.
- Mrs. John Scheepers**, elegantly formed long-shaped Cottage tulips of exceptional size in a deep golden yellow color. One of the most valuable novelties of the last few years.
- Perseus**, a fine well-shaped tulip of a distinct orange-red color.
- White Duchess**, a remarkable elegantly shaped lily-flowering tulip with large pure white strongly reflexing petals with a margin of green on the outside.
- Yellow Marvel**, a large canary-yellow lily-flowering variety, a beauty for the garden.

Darwin Tulips

(THE GREAT FAVORITES)

These are the most beloved and most popular tulips, both for garden and for forcing. Hereunder we offer a fine assortment among which are several new varieties, which can now be sold at reasonable prices.

Topsizes, \$9.00 per 100

- Afterglow**, salmon-orange, one of the finest tulips.
- All Bright**, an improvement of the well known Bartigon, of an intense brilliant red color
- Allard Pierson**, very fine dark red variety, one of the earliest forcers. Can be forced from December 15th.
- Bartigon**, dazzling crimson-scarlet, the most popular Darwin tulip. Can be forced from January 15th.
- Bleu Aimable**, heliotrope-lilac, inside violet, only for bedding
- Campfire**, blood-red sport of the well-known Bartigon.
- City of Haarlem**, rich glowing deep scarlet. One of the finest tulips in existence.
- Charles Needham**, a fine novelty of an intense scarlet color. Only for outdoor culture.
- Clara Butt**, apple-blossom pink, an old favorite
- Copeland's Rival**, a sport of Rose Copeland, slightly deeper in color.
- Demeter**, one of the largest Darwins ever seen, reaching a height of at least 30 in. and carrying an enormous violet flower. Very easy forcer. Can be forced from December 10th. Per hundred..... \$15.00
- Dresden China**, an unusual coloring of shining soft lilac and pink, hard to describe but a real beauty. A wonderful new sort.
- Eclipse**, large tulip of a fine brown-red color. Excellent bedding variety.

Guldemonde's - Horticulturists

Farncombe Sanders, large tulip of a fine scarlet color.

Giant, large violet-purple flower, one of the largest tulips.

Golden Age, deep buttercup-yellow, flushed salmon-orange. A very fine and distinct tulip. Can be forced from January 20th.

Inglescombe Yellow, the well-known yellow darwin.

King George V, dazzling bright red, enormous large flower.

King Harold, deep purple red, good bedding tulip.

Lady Chamberlain, large tulip, light violet with silvery white edge.

La Tulipe Noire (the black Tulip), deep black maroon color.

Le Notre, beautiful bright rosy pink, can be forced from January 15th.

Mad. Krelage, bright lavender-pink, margined pale silvery pink.

Niphetos, a very fine and outstanding variety, outside soft sulphur-yellow, inside primrose-yellow. A wonderful bedding tulip.

Ossi Oswald, creamy white, flushed rose, very attractive

Philip de Commines, deep velvety black.

Philip Snowden, a light carmine rose sport of Bartigon.

Pride of Haarlem, carmine-red, an enormous flower. Best bedder.

Pride of Zwanenburg, a very fine tall growing Darwin tulip, soft rose with broad silvery edge, making a striking effect.

Princess Elisabeth, soft deep rose, slightly edged. Can be forced from January 25th.

Rose Copeland, a sport of the well-known William Copeland. The earliest rose Darwin.

Scarlet Leader, a very fine brilliant scarlet tulip, one of the best bedding tulips.

Guldemon's - Horticulturists

Sunkist, a newer variety of a deep golden-yellow color.

The Bishop, dark violet-blue, very large and strong.

Victorie d'Oliveira, glowing scarlet. Can be forced from January 10.

William Copeland, lavender, the earliest of all Darwins.

William Pitt, brilliant dark scarlet, can be forced from January 5th.

Yellow Giant, dark golden yellow, slightly tipped brown.

Zwanenburg, pure white Darwin on a long and strong stem.

Double Early Tulips

Flowering time about middle of April. They give wonderfully fine double flowers, resembling gigantic peonies. Fine for beds and groups. Most double tulips have also good forcing qualities.

Topsize, per 100, 11.00, except where marked

Couronne d'Or, golden yellow with orange shades; beautiful, large, full double flowers. Can be forced from January 15th.

Topsize, per 100.....12.00

Dante, a new double tulip of a blood-red color. Can be forced from January 10th.

Attractive color, large double flower.

"Murillo" sport.

Topsize, per 100.....\$14.00

El Toreador, rich orange with clear yellow edge. In our opinion the finest double tulip both for forcing and bedding. Can be forced from December 15th.

Topsize, per 100 13.00

Marechal Niel, deep canary-yellow with orange shade. "Murillo" sport.

Mr. v. d. Hoeff, a deep golden-yellow, "Murillo" sport.

Guldemon's - Horticulturists

Murillo, rose-white, a standard variety. Can be forced from January 15th.

Orange Nassau, beautiful orange-scarlet, a fine "Murillo" variety.

Peach Blossom, deep rosy pink "Murillo" sport. An excellent tulip.

Scarlet Cardinal, very large dazzling-scarlet full double flowers. Can be forced from December 10th. A valuable Novelty. Per 100 - 15.00

Schoonoord, pure white "Murillo" sport. Per 100 — 13.00

Tearose, primrose-yellow "Murillo" sport.

Titian, red with golden-yellow edge. Can be forced from January 10th.

Tournesol, large double flower, red with broad yellow edge. Can be forced from December 25th. Per 100 13.00

Vuurbaak, large scarlet flower. Late forcing.

1000 DOUBLE EARLY TULIPS second size, in ten different colors \$80.00

Mendel Tulips

A race of tulips produced by crossing Darwin tulips with the early Duc van Tholl varieties. The result has been a great number of very fine tulips, all with excellent forcing qualities. Indeed, these Mendel tulips can be forced just as well as Single early tulips, and they have the advantage of much taller stems, which make them more suitable for cutting.

Extra Topsize, per 100\$10.00

Early Queen, attractive satiny rose, can be forced from December 5th.

Fridtjof Nansen, large scarlet flowers. Can be forced from December 25th.

Her Grace, very large flower, white base with lilac rose edge, good forcer. Can be forced from January 1st.

Guldemon'd's — Horticulturists

Imperator, cherry red, very early forcer, can be forced from December 5th.

Krelage's Triumph, crimson red, one of the most popular forcing tulips. Can be forced from December 15th.

Rose Marie, ivory-white, edged pure pink. Excellent forcing variety. Can be forced from December 15th.

Scarlet Admiral, very fine scarlet tulip. Can be forced from January 20th.

Sonja, carmine rose, shaded orange, can be forced from January 1st.

Van der Eerden, glowing carmine red. Perfectly shaped flowers. Can be forced from January 10th.

Weber, creamy white, with carmine rose edges. Can be forced from January 10th.

White Sail, creamy opening, passing into pure white. Especially good forcer. Strong flowers. Can be forced from December 25th. A tulip for the future.

Parrot Tulips

(NEWER VARIETIES)

The old Parrot tulips with their weak stems have completely been ousted by the newer varieties, which have strong and robust stems and which are showing flowers of great substance.

BLUE PARROT, very large bluish-heliotrope flowers with fringed petals. A sport of the well-known Darwin Blue Aimable. Fine for bedding and for cutting. Height 24 inches.

Topsizes, per 100..... \$9.00

DISCOVERY, sport of the well-known Darwin Princess Elisabeth, large flowers of a fine violet pink color with a silvery white edge. A valuable new Parrot. Height 26 inches.

Topsizes, per 100.....\$16.00

Guldemon's - Horticulturists

- Fantasy**, this is the most popular and most beloved of all Parrots. A pretty salmon-pink color with green markings. Sport of the Darwin Clara Butt. Year after year there is a shortage of this particular fine variety.
Topsize, per 100.....\$10.00
- Fringed Beauty** (Double Parrot), a striking and attractive tulip coming from double early tulips "Titian". The full double flowers have nicely fringed and crenulated petals. A wonderful and artistic novelty.
Topsize, per 100.....\$12.50
- Gadelan**, a sensational novelty, like an immense orchid in color and shape. The enormous flower has a blue and purple coloring with green markings. It is something so extremely strange and outstanding that we really have no words to give a more complete description. It is "wonderful".
Topsize, per 100..... \$18.00
- Lady Derby**, graceful Parrot about the same shape and habit as the popular "Fantasy" but of a beautiful pale lilac color, with lighter markings and a white edge.
Topsize, per 100..... \$9.00
- Red Champion**, a very fine scarlet Parrot, sport of the popular Bartigon and having all its fine qualities. A nice red flower with fringed and crenulated petals on a strong stem. Fine for bedding and also suitable for forcing from January 15th.
Topsize, per 100.....\$14.00
- Sundew**, tall red flower, same shape as a Darwin but with curved edges. Not a Parrot, but a fringed Darwin. Topsize, per 100.....\$9.00
- Sunshine**, a large golden yellow parrot, a sport of the well-known cottage tulip "Bouton d'Or". A valuable novelty!
Topsize, per 100.....\$14.00
- Therese**, a new parrot coming from Darwin "Farncombe Sanders". It has a strong and straight stem and gives remarkably large and wonderfully fringed red flowers with green markings. Topsize, per 100.....\$15.00

Guldemon's — Horticulturists

Violet Queen, another new Parrot of enormous size on a strong and robust stem, with wide open fringed and crenulated flowers and of a beautiful violet color.

Topsize, per 100..... \$14.00

Robust Breeder Tulips

Enormously strong and robust tulips, flowering at the same time as Darwin tulips. They are still larger and stronger, some sorts reaching a height of about 35 ins. and more.

Quite a special class of tulips, chiefly in bronze, apricot, violet and purple colors. Fine for planting in groups, where they will attract everybody's notice on account of their vigorous growth and their outstanding and unusual colors. During the war the cultures of this special class of Tulips have been greatly reduced, and many old favorites cannot be supplied any longer.

Extra Topsize, per 100 \$11.00

Alice Keith, beautiful orange with golden yellow edge.

Bacchus, large peculiar shaped dark violet-blue flower, just like an immense blue plum.

Brigadier, very attractive and striking tulip, orange, slightly flushed carmine. Quite outstanding!

Cherbourg, golden yellow with purple brown shades. A fine new tulip of perfect form and enormous strength.

Dillenburg, a beautiful tulip of a glorious salmon-orange color, slightly shaded lilac. Very tall and strong.

Garibaldi, long pointed flower of straw-yellow with lilac-bronze. A unique tulip which can be distinguished out of a thousand other varieties.

Guldemon's — Horticulturists

Georges Grappe, enormous large tulip of a delicate lavender-mauve color.

Indian Chief, coppery red-brown, a gigantic flower of a most artistic shape. A quite outstanding variety.

Jessy, giant breeder, the large flowers have a dull violet-bronze color, edged yellow.

Louis XIV, large purple flower, edged golden bronze, one of the most popular breeders.

President Hoover, one of the finest dark orange Breeders, a perfectly shaped flower on a strong stem.

Prince of Orange, a lovely dark orange color, overlaid with golden bronze. A popular variety.

Thomas Stephenson, a giant breeder of very strong growth. The huge flowers have a steel-blue color.

William the Silent, enormous large dark purple flower. Very tall stem and of great substance.

Single Early Tulips

The early Tulips flower from about the tenth of April, and they keep flowering for over three weeks, bringing much joy and happiness into our gardens in early spring. Fine for bedding purposes. Most early tulips are excellent for early forcing.

Topsizes, per 100 \$10.00

Brilliant Star, dazzling vermilion scarlet, the earliest and easiest forcing tulip. Can be forced from December 1st, and is an excellent tulip for Christmas.

Couleur Cardinal, brilliant dark red variety, slow forcer, can be forced from 25th January, exceptionally suitable for bedding, on account of its very strong stem and the long lasting flowering period.

Guldemonde's — Horticulturists

Cullinan, white, passing into soft pink, can be forced from January 1st.

Diana, pure white, large and strong flower. Can be forced from January 1st.

Flamingo, splendid rose, can be forced from January 1st.

Fred. Moore, orange, shaded terra-cotta, good forcer. Can be forced from December 25th.

General de Wet, one of the most attractive early tulips, both for forcing and for bedding. The lovely warm orange color is very striking. Can be forced from January 5th.

Keizerskroon, the greatest favorite of all early tulips; large and strong flowers of a fine scarlet color with a broad golden yellow edge.

King of the Yellows, pure deep yellow, early forcer, can be forced from December 10th.

La Reine Maxima, white flushed pink. Can be forced from January 1st.

Mad. Gevers, large globular flower, sulphur yellow. Can be forced from January 1st.

Mon Tresor, a fine golden yellow forcing tulip. Can be forced from December 1st.

Pelican, large pure white flower. Can be forced from January 1st.

Pink Beauty, an outstanding bedding variety with very large and artistically shaped flowers, half pink, half white. Strong and long lasting flower.

Prince Carnaval, very striking and attractive tulip, scarlet red with yellow stripes and flames.

Prince of Austria, one of the best early tulips. both for bedding and for forcing. Well-shaped and strong flower of a fine deep orange-red color. Can be forced from January 5th.

Princess Juliana, very large flower, white, flushed pink. Can be forced from January 1.

Guldemon's - Horticulturists

Rising Sun, large clear yellow flower. Very late forcer. Extra for bedding purposes.

Sunburst, yellow with red. A very striking and attractive variety. Can be forced from January 28th. Very strong and long lasting.

Van der Neer, a very good bedding tulip of perfect flowering habits. Large deep violet flower on a short stem.

Vermillion Brilliant, a beautiful vermilion-red tulip. Can be forced from January 1st.

White Hawk, large globular pure white flower. Can be forced from January first.

1000 SINGLE EARLY TULIPS

Second size in Ten Different Colors

\$70.00

Triumph Tulips

Crossings between Single early and Darwin Tulips. Flowering-time just between these two classes, about the 25th of April. Enormous flowers on stems of about 22 inches.

In our opinion Triumph Tulips are absolutely the best garden tulips. They have splendid large flowers on strong and straight stems and they flower longer than any other race of tulips. Most of them have excellent forcing qualities too.

Extra Top size, per 100..... \$10.00

Alberio, cerise-red with a narrow golden edge. Can be forced from January 10th.

Aviateur, brilliant carmine, white feathered edge, very striking. Can be forced from January 20th.

Bright Beauty, very large dark orange tulip of fine shape. Recommended for bedding.

Crater, glowing scarlet, one of the best new tulips, strong and robust flowering and especially suitable for forcing. Can be forced from January 15th.

Guldemonde's - Horticulturists

Denbola, violet-red with creamy white edge. Exceptionally strong and long lasting flowers. Can be forced from January 10th.

EDITH EDDY, carmine red with sharp white edge, a very fine and striking tulip. Can be forced from January 10th.

Elisabeth Evers, fuchsia-rose, white base. Enormous large flower. Can be forced from January 20th.

Elmus, carmine-red, edged white, can be forced from January 15th.

Flora, a light orange fading into apricot, inside copper colored. Very tall and striking. Only for outdoor culture.

Glory of Noordwijk, deep lilac-rose with white base. can be forced from January 20th.

Hesperos, reddish violet, giving gigantic flowers on tall stems. Only for outdoor-culture.

Kansas, the best snow-white Triumph tulip, very strong and substantial flowers. Can be forced from January 15th.

Korneforus, a valuable new tulip of a fine dark scarlet color. Can be forced from January 15th.

Mr. Kerbert, an enormous large tulip in a distinct pink color. Not a forcer.

Nova, an outstanding variety, beautiful salmon color with silvery rose shade. Very large and strong. Only for bedding.

Pluvia d'Oro (Golden Rain), round shaped golden yellow Triumph tulip. Can be forced from January 15th.

President Von Hindenburg, purplish red with a broad creamy yellow edge. Very showy. Can be forced from January 15th.

Pride of Berlin, long shaped orange-red flowers with a yellow edge. Can be forced from January 15th.

Rijnland, very fine double colored tulip, half orange, half yellow, a fine bedding variety.

Guldemon's — Horticulturists

Telescopium, an elegantly shaped tulip of large size. Outside reddish violet, inside deep violet. Can be forced from February 1st.

Ursa Minor, large deep golden-yellow tulip. Can be forced from January 15th.

Add 20% to the 100 rate if 25 bulbs are wanted — over 25 bulbs of one variety are sold at the 100 rate.

Double Triumph Tulips

(THE GIANT-FLOWERING PEONY TULIPS)

Only for outdoor culture.

These new Double Triumph Tulips have extremely large, full double flowers, on strong and straight stems of about 20 inches high.

Small groups of these exceptionally large double tulips will make a nice display in every garden, attracting everybody's notice.

Extra Topsize Bulbs, 100 - \$12.00

Cherry Blossom, cherry-red with broad creamy white edge. Very attractive. Enormous full double flowers!

Coxa, beautiful formed carmine flower, becoming lighter towards the border and ending in a narrow yellow edge.

Eros, magnificent full double rose tulip of enormous size. As far as we know the largest of all tulips, even larger than fully grown peonies.

Livingstone, very fine and large full double tulip of a beautiful shining red color.

Mount Tacoma, a beautiful variety giving large pure white flowers, marked greenish on the outer petals. Very strong.

Guldemon'd's - Horticulturists

Orange Superba, a fine scarlet-orange full double tulip on a strong and stiff stem. Perfect bedder.

Snowball, a pure white double variety, with enormous flowers.

Uncle Tom, strong, full double dark brown flower, nearly black. A unique tulip of a strange and peculiar color. Fine for groups, contrasting with groups in lighter colors.

Trial collection of

200 DOUBLE TRIUMPH TULIPS

in the 8 above-mentioned sorts, 25 bulbs of each variety, just to give you an idea of these beautiful tulips.

\$18.00

Narcissi

(SHORT CUPS)

Star Narcissi with white and yellow colored perianths and strikingly contrasting cups or crowns, varying from yellow to deep red. Very attractive flowers, fine for garden decoration and for cut flowers.

Carlton, strong sulphur-yellow perianths and a large wide open clear yellow cup. Carlton is classified among the short cups, but is more looking like a trumpet. In any case, it is a valuable novelty, with vigorous growth and specially good forcing qualities.
